<TEXT> Please reconsider levying a flat tax on my telephone. My husband and I are retired and are serious medical patients, trying to stretch our budget to meet all needs. We use our land-line and emergency cell phone minimally, and a flat tax seems so unfair.

Please modify the flat-tax idea to be more reasonable for us low-usage folks.

Thank you for your serious consideration of my request.  
Sincerely,

Carol Corina 396 Hancock Lane Athens GA
